

# Coverage Report

Commands:

- 1. Run tests with coverage: `flutter test --coverage`
- 2. Generate coverage report: `lcov -l coverage/lcov.info --list-full-path > coverage/coverage_report.txt`

|    |                                                                                |        |           |          |     |     |  |
